

Woodside Primary School

Class News - January 2017

Room 15 have been very busy these past few weeks with lots happening. We are currently engaging with the topic of Scotland geography. The children are working very hard at studying Aberdeen city and the facilities available. Alongside this, we are continuing to learn Scottish ceilidh dancing in preparation for performing during the Scottish assembly. In addition to this, the children are learning a Scottish poem and carrying out reading activities on a Robbie Burns poem. Room 15 have also enjoyed our Scots Drama week presented by QuidsIn. They have been confident individuals when rehearsing a script to perform in front on the school.

Later this term, we will be focusing on the topic of extreme weather and natural disasters. They will learn about how a volcano erupts and develop their knowledge of how historical disasters have occurred. During term three the children will be engaging with fractions and time within numeracy and mathematics. They will also be developing basketball skills during physical education.

Room 15 will also be working with Grace Banks. The children will get the opportunity to engage with learning in the outdoor environment, which will include visiting the forest.

The children have received a new spelling grid to complete. They are expected to study their words for 10 minutes a night (up to 30 minutes a week). In addition to this, the children will continue to receive maths homework. They are also expected to do reading homework with a comprehension activity to go along with it.

Timetable for Term 3

Monday	Tuesday	Wednesday	Thursday	Friday
Homework given out (due back for Thursday)	GYM (full gym kit required)		Literacy -reading	Literacy -reading
