P2 Class News - January 2017

Welcome back after a lovely winter break! We hope you have had a lovely start to your year! Through our newsletters we will share what we plan to be learning, important dates and events as well as celebrating the children's achievements and endeavours. We hope you enjoy these and as always we welcome feedback and suggestions. Please also check the school website for regular blogs from our class and up to date school news.

This term we have three very exciting topics that we will be taking part in. The first is our whole school focus on Scotland! We are very excited to be learning all about our home and where we all live. As you may already know, we've been learning all about Katie Morag and her adventures on the Isle of Struay! We did such a fantastic job learning poems and songs for our class assembly! You can ask us about the Scottish songs we've been learning in class - we'd love to show you! Our second topic, "The Circus" will give us the opportunity to learn about different ways to keep our bodies fit and learn new skills like juggling, balancing and gymnastics! Then finally this term, we will begin looking at "In the garden" just in time to begin planting lots of lovely seeds and bulbs! We hope that we will be able to observe, record and analyse the way that different plants grow over the rest of term 3 and term 4!

Following our Golden Rules is an important focus within our class. The children who keep the rules are then rewarded with Golden Time. This is hugely popular with the children. We have also been enjoying working as teams within our class to win table points for being kind, helpful and working hard to finish our tasks! Every Friday we announce "Table of the Week" to win the chance to use the special stationary and cushions for the week!

We are feeling very settled in to Primary 2 and can't believe we're into Term 3 already! Teachers and PSAs are helping the children to organise themselves but we would ask for your help too. **Please ensure all your child's belongings have their name and class on them.** This makes it so much easier for everyone!

Over the last few weeks it's grown much colder so to make sure we have the chance to go outside to enjoy a run around and some fresh air, please help keep us all wrapped up with hats, gloves and scarves! That way we'll be nice and cosy inside AND outside!
